"Ice-Pick Vasectomy"

87 thoughts, masterpieces in the making
Contempt for the one she loved
Death, a slow, torturous one
Desires meet dread, love blends with wrath
Love is so blind
87 punctures, an ice/pick vasectomy
Emotions swelling with black hatred
Slashing in a murderous rage
Revenge of the most heinous king
87 gouges, vasectomizing
The worker of iniquity atonement of blood
By the one who caressed her
Not by a dead impersonal god
Rage is also blind
A corpse who no longer bleeds
Penis turned into swiss cheese
Sorry son of a bitch who's life is the atonement of sin
Paid for in his own blood
You adulterous fuck!
