Cruel reality

Wears away our will to live

[solo]

All the world will look at me

And hold his breath too hear my speech

So when I leave this world unfair

They will cry for me and understand

[solo]

I just can't find my way

Or meaning to my life

World will remember?

[Not at all]

And take my example?

[Not at all]

[Not at all, not at all]

[No, no, no, no...]

Am I wrong?

Yes! Because the world won't take example

From somebody who won't fight

For better days and hide away

Not facing problems in their life

To be alive is the best way  
That we must show mankind  
We want a better world for all  
I ask all the world  
To follow the song  
[solo
