Help us ever day  
For as little as just some bucks  
A day you can help  
Save us - abusing power  
Affected living in clover  
Elected by people loving mad  
Securing power - play policy!

If you pay  
You can say  
That's the way  
Money makes man\*!  
Existence  
Makes the sense  
Only then to affirmative vote!  
Reverence  
What we said  
In the name of... blood?  
Donate all for another lying god

Blessed are only rich.  
Brazen like a bitch.  
Generous new gift from us our brothers

May change someone else's life  
Wanna help? - gimmie five  
Find the ways to support!  
How long? time goes by!

Greed is stronger me.  
Stronger than justice  
Ask me. what I need  
Pure. neverending greed!

Pay the penalty  
If you still believe the power of mercenary cowards  
Can you donate all what you believe?  
Donation will be processed by me

Pay the penalty  
If you still believe the power of fuckin' liars

You could be me in another life

[1st. & 2nd solo: hiro]
