[O-Dash] They say Hip Hop's dead, well I can  
resuscitate We getting bread homeboy, you better get  
a plate Then we so controversial, starting to sound  
commercial Thought talking money's universal [Rapper  
Big Pooh] They say I'm young, black and angry, niggas  
can't tame me Never had a habit doing shit that  
ashamed me Say I gotta change be, careful what you  
ask for You don't want it with a nigga when he come  
through that door [O-Dash] Pooh come with it, shit I'm  
coming with the fo'-fo' All glow like a fiend, eyes at the  
corner sto' Looking for snow in the middle of August  
Diamond in the rough boy, spitting that flawless Never  
been a coach, still running with ballers [Rapper Big  
Pooh] You know I'ma bar spit, PSA what you call us Beat  
kinda grainy, Rapper Pooh spit heartless Land of the  
dead where these niggas run lawless, uh [Chorus] You  
know we tell it like it is right? Talk shit till these pussy  
niggas wanna fight Sleep days, making moves under  
moonlight "Niggas mad because I know that cash  
rules" --> Notorious B.I.G. Yeah, you know we tell it like  
it is right? Talk shit till these pussy niggas wanna fight  
Sleep days, making moves under moonlight HOJ is the  
crew right? [O-Dash] This ain't just hype, two niggas  
with mics Gun talk, off safety, we ain't too pussy to  
fight [Rapper Big Pooh] Aiyyo you muh'fuckin right, I  
don't claim to be Cause I am who I am, pretty soon you  
gon' see [O-Dash] Guess it is what it is then, we can  
shoot the five Been deprived so long, just lucky to be  
alive Won't be survived by our wife and sons [Rapper  
Big Pooh] They know I won't be removed from the  
space till I'm done The undisputed one, pound for  
pound, second round They say third time's a charm,  
I'm liking how it sound [O-Dash] Haters wipe me down  
from my fitted to my shoes Been paying my dues,  
brud' check the interviews [Rapper Big Pooh] Cause I'm  
on, niggas I keep being on the cusp Been blazing trails,  
been leaving dust [O-Dash] Now we on the road to  
riches and finer things Foreign cars, pulling stacks out  
our jeans like 'bling'
