We gets live at the VaCo show, we gets
Say what?
Shucks.
Shake it off, do it right ya'll
You cannot do this, your legs may be broken

We gets live at the VaCo show, we gets live, yo
We gets live at the VaCo show, we gets live, yo
We gets live at the VaCo show, we gets live, yo
We gets live at the VaCo show, we gets live, yo
Do it, do it

Shucks.

Now when I need it I'm coming to get it
Now when I need it I'm coming to get it
Gonna do it like so
Said, come and get it
Ah...

We gets live at the VaCo show, we gets live, yo
We gets live at the VaCo show, we gets live, yo
We gets live at the VaCo show, come on and
We gets live at the VaCo show, well
We gets live at the VaCo show, come on and
We gets live at the VaCo show, come on and
Make that jib roll
Never better, never do those things, say what, where
Now I'll do my thing, I'm on it

Mmmm, what's that you're doing?
It sure look good to me
Baby make her hips smooth, she's gonna do her thing
Hey, what's that you're shaking?
It sure shake good to me
Slide, slide, same thing different day

Mmmm, what's that you're doing?
It sure look good to me
Baby make her hips smooth, she's gonna do her thing
Hey, what's that you're shaking?
It sure shake good to me

Alright, can we pick it up now
We need to pick it up now in a big way

[robot voice]

If you meet someone from another planet, and he holds out his left hand, don't shake it. He might be made of anti-matter. You would both disappear in a tremendous flash of light.
