We came to get down
Do it right
Do it right
It's alright

We came to get down
Do it right
Do it right
It's alright

It's just a ONE if your certain
TWO if you just ain't clear
Say, we came to get down 365 days a year
We brought some for your mamma
I brought a little for your sister too (ya know she did)
Just a little bit just a little bit just a little wax for me n
you
and she was sure...

We came to get down
Do it right
Do it right
It's alright

We came to get down
Do it right
Do it right
It's alright

JP do your remember that fine thing that was after last
show we played?
I took her upstairs to the hotel room
But she did'nt have a thing to say
Now that just goes to show that when we come to your
town
It's not for the girls or the wine you see its cause we
came to get done

MISTA CARLTON BANKS
Say what, say what?

Check It out...

It's on 'til the dawn
And don't you know
They all got down at the VACO show
A brown skinned braid, she was real in shape
She bought a new CD and a VA tape

It's on 'til the dawn
And don't you know
They all got down at the VACO show
A Brown skinned braid, she was real in shape
She bought a new CD and a VA tape
Talk about...
well...why?
Well "Why not?" she said
"WHy not?" she said
"WHy not?" she said
"WHy not?" she said
We came to get down
Do it right
Do it right
It's alright
