If I had my druthers mama, you know I'd rather be
alone

I say if I had my druthers mama, I said I'd rather be
alone

And when I wake up in the morning, you know I'd rather
you were gone

It's alright mama, just tryin' to have some fun

It's alright mama, just tryin' to have some fun

I say if I had my druthers mama, I said I'd rather be
alone

I say if I had my druthers mama, you know I'd rather be
alone

And when I wake up in the morning, you know I'd rather
you were gone

It's alright mama, just tryin' to have some fun

It's alright mama, just tryin' to have some fun

It's alright mama, just tryin' to have some fun

Alright mama, just tryin' to have some fun
