When I look in your eyes
I see what I'm missing inside...
And I wanted to know,
Why the hardest part, is being alone.
Alone...

When I look all around,
I wonder why you're not here with me.
And why I let you go.
I need you...

[[Chorus]]
'Cuz in my heart,
Your love is passing by.
Well I still need you around,
Please don't ask me why.
I'm nothing without you..
I feel so afraid...
I am so alone inside I need you here today.
Today...

When the night falls upon me,
I see you in my dreams.
Forever 'till the morning
You'll be with me.

But when I open my eyes,
I'll be sad again..
Because then I will remember,
That we were only friends.
Yeah, just friends.

[[Chorus]]
'Cuz in my heart,
Your love is passing by.
Well I still need you around,
Please don't ask me why.
I'm nothing without you..
I feel so afraid...
I am so alone inside I need you here today.
Today...

When I look in your eyes,
I see what I'm missing inside..
In my life.
