You been cheatin', and I don't know why  
You've been runnin' with another guy  
You drive me crazy, babe I don't know  
Oh tell me girl, or just let go

You better watch what you say, and watch what you do  
Cause if you're wastin' my time, I found someone new  
The girl in my dreams, there's no in between  
The girl in my dreams, there's no in between, yeah, my  
my

So what you're tellin' me, you know it's untrue  
What you're sayin' girl, is I'm a fool  
If you believe it, just say so  
Oh tell me girl, is it yes or no  
I can't take it, you're callin' me down  
I can't fake it girl, and stick around, no  
I'm just a fool and I know that I depend on you, yeah  
yeah yeah

You better watch what you say, I'm talkin' to you, you  
baby  
Cause if you're wastin' my time, I found someone new  
The girl in my dreams, there's no in between  
The girl in my dreams, there's no in between, guitar

Yeah yeah yeah yeah  
Well this is it girl, cause I gotta know  
If there's a chance baby, tell me so  
I wanna take it, a day at a time  
Tell me baby, lay it right on the line, this time

You better watch what you say, and watch what you do,  
you baby  
Cause if you're wastin' my time, I found someone new  
The girl in my dreams, there's no in between  
The girl in my dreams, there's no in between, yeah  
The girl in my dreams, there's no in between

The girl in my dreams, yeah, oh yeah
