Shadows closin' in on me  
But through the darkness I can see  
Your face is harder than stone  
I wish I may, I wish I might  
Turn this darkness into light  
I'm blind and yet I see, I love you

But I'm a man, I must be strong  
I've let these feelings tear me apart for far too long  
But in my darkest hour of need  
In my darkest hour of need

Will I ever love again  
Or will it always be pretend  
It's my heart that needs to know  
What can it be, that you and i  
Can't give it one more try  
But I know that that won't be, and I love you

But I'm a man, I must be strong  
I've let these feelings tear me apart for far too long  
And in my darkest hour of need  
In my darkest hour of need
