Easy now, don't let our love go wrong  
I'd never hurt you, or mean you any harm  
Darling can't you see

I wouldn't want to lose your love  
I wouldn't want to lose your love  
I couldn't stand the pain  
You know it'd drive me insane  
Darling I need your love

And if tomorrow would be easier for you  
And there's nothing that I can say or I can do  
Well darling, please come home, you know

I wouldn't want to lose your love  
I wouldn't want to lose your love  
I couldn't stand the pain  
You know it'd drive me insane  
Darling I need your love

You're tellin' me that I've been foolish this time  
You're tellin' me that I don't know my own mind  
But darling can't you see

I wouldn't want to lose your love  
I wouldn't want to lose your love  
I couldn't stand the pain  
You know it'd drive me insane  
Darling I need your love (love love love love.....)  
Darling I need your love (love love love love.....)  
Don't wanna lose your love (love love love love.....)
