Magick speaks with tongues of Fire, Fortune take my hand
Iron pounding dongs of Glory, Soaring on command
Screaming I rejoin the fray

Take me where the thunder walks, A SYMPHONY OF STEELE

Take my where the falcon flies, A SYMPHONY OF STEELE

Sound the trumpet, crack the mountain, let the arrow fly

Through the land of Lamentation, let the tidings fly
Mercury, the God and I

[*]-Take me where the thunder walks, A SYMPHONY OF STEELE

Take me where the falcon flies, A SYMPHONY OF STEELE

Spark the ashes, free the temple, stem the crimson tide

Toll the bells of Freedom shouting
Praise for those who've died
Wield the Sword of Destiny

[*]

A SYMPHONY OF STEELE

If passion denies you, don't die on your knees
Fight with a vengeance what weakness decrees
The Wrath of the Tempest, the cries of the slain
Tragic in splendor, in death you are free
I follow the Sign, bring on the sound of thunder,
bring on the rain
Spirit of Dark Enchantment remember my name!!!
