Lying and cheating
Taking all I can get
Always wanting more
It's time to even the score
Winners and losers
Always come and go
As soon as I get it
I gotta let it go
I can hear you say
I can hear you say!
Ladies of the night
Give me what you've got
I ain't looking for love
Just want some action!
We're headed for a life of crime
Keep running till the day we die
We're headed for a life of crime
But it's too late now
We've already crossed the line!
This nowhere train you're riding
Is going nowhere fast
You better watch your step
Or you're gonna burn in hell!
I can hear them say
I can hear them say!
We're headed for a life of crime
Keep running till the day we die
We're headed for a life of crime
But it's too late now
We've already crossed the line!
