[ENDYAMON:]

On the Bridge of Hades, searching for a
Sign On the brink of Knowledge, there's no time
Shadow of the Horseman who is sworn to rise
Seven are now waiting in the
Skies Warring Angels forage,
Scavengers of Pain I am born to Power,
Courage is my Name

[HUMANITY:]

Rise on the Wings of Truth, to the
Sun We know that Forever lives inside . . .
MIND, BODY, SPIRIT . . .

All are One

[ENDYAMON:]

Rising like a Tower, Fortune's Torch revives
Slicing every Rule that will divide
Who will hold the Red Queen when misfortune cries
Seven Bands are waiting in the Sky
Murder and Fire and Pain is the
Sign Swollen with Power your
Blood is my Wine
And I know !

[HUMANITY:]

Rise on the Wings of Doom, to the Sun
We know that Forever lives inside . . .
MIND, BODY, SPIRIT . . . All are One
MIND, BODY, SPIRIT . . . All are One ! ! !

[ENDYAMON:]

Prizing only Valor Numen steal the
Light On the brink of Knowledge
Burning Bright Shadow of the
Horseman who is sworn to rise
Sin and Death are waiting in the
Skies Murder and Fire and Pain is the
Sign Swollen with Power your
Blood is my Wine
And I know !

[HUMANITY:]

Rise on the Wings of Death, to the Sun
We know that Forever lives inside . . .

[ENDYAMON:]

I see my Vision, I see the Line

Circling onward, looking for
Nine I know the answer is not to be found
Searching in Darkness with eyes of the blind
And in the Morning,
Two will remain
To carry us onward, to Guard the Flame
That we know . . .
There'll be time . . . for All . . . , for All
We don't need you, we're fine on our own
We don't want you, leave us alone . . .
Fortune is Fire as Numen we
Shine Invoking the Power, your
Blood is my Wine
and I know . . .
The Mind is a Tower,
the Body sublime The Soul is the Power, your
Blood is my Wine
and I know . . .
Leave us alone ! ! !
