We are Descendants of the Ancient Ones
The Race beyond the Wanderers of Night
Who dwell in the Black Spaces between the Stars
From a Time before Time.
Long before this current Dynasty of Heaven
We Reigned And will Reign again . . .
For We contain the Divine Essence,
Made from the Flesh,
Blood and Bone of a God
Who walked in Flesh, and who cut off his own head . . .
Nourished by Fire, Water, Wind, Wrath, Rage and Tears
We Blossom at the Root of the Tree of Knowledge . . .
We wait and We remember . . . , for the Blood of Man, is
. . .
THE BLOOD OF VENGEANCE ! ! ! ! ! ! !
