[Music: De Feis/Pursino, lyrics: De Feis]

In the Valley of Dying Stars
as the Gods dream their angry dreams
Restless Spirits, thoughts arise
from the porcelain shuttered rooms
they shift and glide
The Dawn becomes lighter
for the Weeping of the Spirits Crystallize

Welcome my friend I know your face well
I know the mark that you wear
Your Father's eyes watch from afar
I know the gift that you bear, for we are one

Thunder and Blood rage on the wind
Spirits of Vengeance collide
Brother of mine, Tyrant of air
I see the gift that you bear
For we are one
For we are one

[Chorus:]
Ride like the wind in chains of defiance
I see the scars and the pain
Shatter the ground I stand before you
Kill me or die where you stand

Ten thousand sons, scream through the wind
Burning the Angels alive
Shining in chains, Blood stains the air
I know the mark that you wear
For we are one
For we are one

[Chorus]
Ride like the wind in chains of defiance
I see the scars of the pain
Shatter the ground, the Spirits Alliance
I see the whips and the stain
Ride like the wind in chains of defiance

I see the work of your name
Shatter the ground I stand before you
Kill me or die where you stand
Die where you stand!!!!
