[Verse 1]

I hate when I call you and you text me back (that's rude)
Come on, you, what's up with that? (are you serious?)
I hate it when I become microscopic cause the boys'
around
You forget I'm there when we're out

[Bride]

Sometimes I don't know
If we're together or not
Am I wrong
To assume when we're together or not
Are we together or not?

[Hook]

So what's it gonna be?
Am I your girlfriend?
Or am I just a girl that you call a friend?
So what's it gonna be?
Are you my boyfriend? (What's it gonna be?)
Yeah, yeah, yeah, yeah (2x)
Oh, oh, oh, oh, oh (What's it gonna be?) x2
What's it gonna be between us?

[Interlude]

So, like, anyways, I come over to hang out with you
And you're like, totally not paying attention to me
You're on your Xbox, and I'm like,
"Whatever, I'm over it"

[Verse 2:]

You check out other girls with that thirsty stare (really?)
What the heck? I'm standing here (jerk!)
You're so absorbed with yourself
Why do I like you?
Boy, you used to be so cool

[Bridge]

[Hook] (2x)

[Outro]
So, listen, when you figured out just...
You know what, justÂ...
Whatever
