Stay smokin that smackdown, keep myself a little half

You know B. Stille in the cut, on the back po'ch Jig drillin

Black folks just livin it up, court next week not givin a

What's up? Grown standin - only rap to them grown
women (grown women)
Stay high, we'll play shy, least till I can get home wittem
Shorty whattchu thinkin? Whattchu drinkin? - thinkin it is

[Skinny DeVille]

Nigga hooked it up, like the waitress from the IHOP
Nothin but the grits, steak, and egg with that
waitin for the five dollar pancake, front-back side to

side
Impala, country boy, Cadillac, cat sick in the Monte Carlo
All clean (twenty inches) at the seam (plenty chickens)
Get the green (spit the swishers) at the Beam (shit done seem)
Craziest muh'fucker, what y'all niggaz do for cream
Never knock the hustle scheme, only what the cheddar bring
Hate, fake-niggaz, hoes, envy, greed, jealousy
Cain't take what a nigga make type of enemy
Smilin in my face but they really ain't no friend to me
Cain't wait, send em eight straight nine milli-mee
Aww hell naw, y'all niggaz ain't feelin me!
Colt 45 e'rytime like Billy D
Ninety-five (?) leave through Tennessee
Quarter pound with the chron' fuckin wit my memory

[Hook: All]

[Hook 2: Fish Scales + (R. Prophit)]

[Fish Scales]

Come down to the country, you won't wanna go back
Vertical grills in front of the 'Lac
Blunts rolled so fat, put one in my back
Plus a buncha country boys wit gats, you don't want none-a that
Keep - my nine - right beside me, at all times
Cuz I be in the line, like somma these niggaz you find
Don't want you to shine, right yea..

[R. Prophit]

From the side and nine-to-nine
Roll around here somethin tryna sell mine
Lord know but I got a dime early time
Got me feelin to', now my Eggo's cold
See I'm a country boy (Huh?) Close the door (Huh?)
Clinton and Gore (Huh?) Y'all been warned (Huh?)
Guns and more - better hit the floor
Them yeggaz want ya cuz they comin in with them laws

[Fish Scales]

Fuck - yo life; buck - my chife

For my yeggaz I'ma bring it to you dead or alive

[R. Prophit]

You a nasty hoe, ya betta show that
Got a quiet lil' spot we can go at
