Use your head silly...

[Chorus]

Where yo' head at?  
Shawty, where yo' head at?  
Show me where yo' head at  
Shawty, where yo' head at? (that's all I know)

[B. Stille]

Y'all ain't never heard of B. Stille, the look that seals  
Screwed up coupe DeVille, peep the vertical grill  
Well Killa Cowboy pull the dirty cowbell  
Hell anyway ya do the certified playa  
The thickest, the thicker, the better, the pick of the litter  
The sicker the chicken, the bigger the dick I deliver  
The kidney, the liver, the shiver, the give in her BACK  
Make the bigger the nigger deliver the miggity-MACK!

[R. Proffit]

Y'all so ridiculous, hoes all up in my businesses  
Got 'em stuffin up my tennant biz  
My friend is here, so come around actin shady  
I warned ya like (Dick Tracy) like Warren Beatty  
Proffit hit it, 2-3-4-5  
Kicked it off, 6-7-8-9, from behind  
10-11-12, I'm... a glad man slingin geni-til y'all

[Hook: Big V + (Proffit)] - 2X

Want that, get that - (here we come now)  
Jump back, get back - (keep it goin now)  
Which one? this one - (think about it now)  
"She gon' lemme cut that's all I know"
