[Skinny DeVille]

Smoked the bong to the bang and got crunk
Shorty with the thong and the chain's about to get nutty
From my song and my hands, I ain't tryna be ya buddy
Let a player cut somethin *scratching*
Now it's on anything that got drunk
Skully took it strong to the brain, and I'm
talkin dirty to this broad, "where yo' mayne?"
Think about it, till early in the mo'nin, bout 7:30
Get it on, split the Philly, light the blunt and hell it's on
If ya tryna get me, then hit me on my cella-phone
Really homes, take a hunnie with the silicone
Tighter than an S-Type sittin right on plenty chrome
Strong in the game, but not to play with anyone
Yeaga like to dance, but not just to any song
Gotta be the one, that rep well clear from
"No perm, no fade, no brush, no comb"

[Hook: Skinny] - 2X

Roll somethin, drank somethin, cut somethin, what (set
it out)
Roll somethin, drank somethin, cut somethin, what (set
it out)
Roll somethin, drank somethin, cut somethin, what (set
it out)
Roll, drank, cut, what (set it out)

[Skinny DeVille]

Made the next call for the drink, and drank it straight to
the head
Stuck on the wall, thumbtack, but what I shoulda did
Focus on the sack and sip just a little bit
Blame it on the Jack D, get back to the chick
Look I'm a mack, I think ya ass fulla shit
It ain't the liquor talkin broad, who ya think ya foolin
wit?
Any nigga off the street, he game, school the chick
A hoe is a hoe fa sho', and any shoe'll fit
Call it what you want, blunt lit in the club crunk
Drunk than a muh'fucker, split tryna cut somethin
Quick now us want somethin, and the broad lookin thick

Whattchu think he slicker than the liquor tryna move his dick?

[Scales]

Now hold up; what? Stop; huh?
Somebody roll the weed up, feet up
V.I.P. lookin all G'd up, hair stay P'd up
Can't talk long gotta cut somethin, see ya

[Hook: Skinny] - 2X

Roll somethin, drink somethin, cut somethin, hold up, what?!
Roll somethin, drink somethin, cut somethin, hold up, what?!
Roll somethin, drink somethin, cut somethin, hold up, what?!
Roll somethin, drink somethin, cut somethin, hold up, what?!

[Hook: Skinny] - 2X

[B. Stille]

Nappy Roots, get it up at a sold out show
Cut her to, give it up when ya tho' that dough
Don't be playin no games, what I told that hoe
Forget her name, but she gone lemme cut that's all I know
Now I'm horny as a - pitbull
Some alcohol 'case I mess around and cut somethin
Get fooled, at the bar smoke somethin
It's cool, hit the telly, two hens in the whirlpool

[R. Prophit]

Steady sippin on courvoisier
Ghetto type at the bar spittin the gossip-eh
That's all - lookin like Beyonce
Bout to cut, stuff brown in my cup (yeaga what?)
Hurry up dawg, tryna holla at these broads
Tell 'em I'm a playa, watch 'em cream in her drawers
Say I'm Randy Moss then her panties came off
Quicker than a wide receiver runnin out on a cross
Shake it off now!

[Hook: Skinny] - 2X

scratching till fade
