Lay your head down on my shoulder  
I won't let the night get colder  
I'll protect you, I'll be keeping  
Trouble far from where you're sleeping

Until you wake in the morning  
You've got the world to yourself

Dream on  
Dream about the world we're gonna live in one fine day  
Dream on  
Spend the night in heaven  
I'll be here to light your way.  
Someday tomorrow we'll smile,  
But little girl in the meanwhile  
Dream on

You're a princess, chains around you  
I'm the hero who just found you  
'Til a brand new day must wake you  
Let imagination take you

Go where the music is playing  
I'll be along in a while

Dream on  
Dream about the world we're gonna live in one fine day  
Dream on  
Spend the night in heaven  
I'll be here to light your way  
Someday tomorrow we'll smile,  
But little girl in the meanwhile  
Dream on

Dream on  
Dream about the world we're gonna live in one fine day  
Dream on  
Spend the night in heaven  
I'll be here to light your way
