If it weren't for kids have you ever thought  
There wouldn't be no Santa Claus  
Or look what the stork just brought  
Thank God for kids.

And we'd all live in a quiet house  
With-out Big Bird or Mickey Mouse  
And Kool Aid on the couch  
Thank God for kids.

Thank God for kids, there's magic for a while  
A special kind of sunshine in a smile  
Do you ever stop to think or wonder why  
The nearest thing to heaven is a child.

When you get down on your knees tonight  
To thank the Lord for His guiding light  
And pray they turn out right  
Thank God for kids.

Daddy, how does this thing fly?  
And a hundred other where's and why's  
You really don't know but you try  
Thank God for kids.

When you look down in those trusting eyes  
That look to you, you realize  
There's a love that you can't buy  
Thank God for kids...
