Girl I can't let you do this
Let you walk away
Girl how can I live through this
When you're all I wake up for each day
Baby.

You're my soul and my inspiration
You're all I've got to get me by
You're my soul and my inspiration
Without you baby what good am I
Woh, what good am I.

I never had much goin'
But at least I had you
How can you walk out knowin'
I ain't got nothin' left if you do
Baby.

You're my soul and my inspiration
You're all I've got to get me by
You're my soul and my inspiration
Without you baby what good am I
Woh, what good am I.

Baby, I can't make without you
And I'm telling you honey
You're my reason for laughin' for cryin'
For livin' for dyin'.

Baby, please I'm beggin' you baby
I can't make it without you
If you go it'll kill me
I swear it I can't live without you.

You're my soul and my inspiration
You're all I've got to get me by
You're my soul and my inspiration
Without you baby what good am I
Woh, what good am I...
