"Don't Let Go"

Holding my breath as I walk to your garden
Everything seems so abandoned
Roses have grown just as high as a mountain
Fireflies glow in the dark

Don't let go now
Somebody's lying

Everyone came to the final revival
It's been a year since we've been here
The spell has been cast to welcome the arrival
The phantom of silence is near

Don't let go now
Your garden is dying
These wounds won't heal
Somebody's lying

Break the spell of emptiness
And thousand years of loneliness
Bless the path of righteousness
And walk the trails of holiness
