Fell the heat below my feet
I have to go, no time to sleep
Can't believe the things you say
I turn my head and walk away
You make me sick,
you make me nervous

Times are gone when you would say
This is the one and seize the day
Times are gone for honesty
"My victory is your defeat"
Oh can't you see you've been mistaken

In my life I decide and it turns me on
How I am, how I live, who I love
In my way I feel strong
And it turns me on
In my life, I decide, I decide, I decide, i decide

All you do, you can't deny it, it's waste of time, waste of
time
Can i suggest that you invest in something more than
hopelessness
Before you know, the ride is over

In my life, I decide and it turns me on
How I am, How I live, Who I love
In my way, I fell strong
And it turns me on
In my life, I decide, I decide

It's up to you if you give it up
It's up to you if you won't stop x2

It's up to you if you give it up, give it up
It's up to you if you won't stop
It's up to you if you give it up, give it up,
It's up to you, it's up to you

The record shows that you're dead but you're still living
Every time you have died you have been given

Another chance to fix your bad attitude
And make a move, it's up to you

It's up to you if you give it up, give it up
It's up to you if you give it up, give it up
It's up to you if you give it up, give it up

it's up to you
it's up to you

give it up
give it up
give it up
give it up
give it up
give it up
