No sleep
No sleep until I am done with finding the answer

Won't stop
Won't stop before I find a cure for this cancer

Sometimes
I feel I going down and so disconnected

Somehow
I know that I am haunted to be wanted

I've been watching
I've been waiting
In the shadows all my time
I've been searching
I've been living
For tomorrows all my life

In the shadows

In the shadows

They say
That i must learn to kill before i can feel safe
But I
I rather kill myself then turn into their slave
Sometimes
I feel that I should go and play with the thunder
Somehow
I just don't wanna stay and wait for a wonder

I've been watching
I've been waiting
In the shadows all my time
I've been searching
I've been living
For tomorrows all my life

Lately I been walking walking in circles, watching
waiting for something

Feel me touch me heal me, come take me higher

I've been watching
I've been waiting
In the shadows all my time
I've been searching
I've been living
For tomorrows all my life
I've been watching
I've been waiting
I've been searching
I've been living for tomorrows

In the shadows

In the shadows
I've been waiting
