Make me blind, cover my eyes  
You can do what you want  
I'm paralyzed by the perfect mood  
When we're dancing with blindfolds on  
You make it easy to love you and hate you  
I can't explain it, I feel insecure  
You say it's simple: "you die just to live again"  
You say we're waiting for the Last Waltz  
Another you and me  
Another revolutionary heavenly romance  
Waiting for the last waltz  
And so it seems  
We won't find the the solution  
Confusion leads the dance  
Waiting for the last waltz  
Praise the wine, so divine  
And it stings like a rose  
Allow the night to flow inside  
Open the window and let the wind blow  
Highlight of the night is the unhappy ending  
You keep refusing to answer my calls

Drop the bending and stop the pretending  
You say "get ready for the Last Waltz"  
Another you and me  
Another revolutionary heavenly romance  
Waiting for the Last Waltz  
And so it seems  
We won't find the the solution  
Confusion leads the dance  
Waiting for the Last Waltz  
I believe that no one in this world has the answers for  
me  
But still I hope that someone has heard  
And you and me  
Another revolutionary heavenly romance  
Waiting for the Last Waltz  
And so it seems  
We won't find the solution  
Confusion leads the dance  
We're waiting for the Last Waltz
