It's hard to believe that it came to this
you paralysed my body with a poison kiss
For 40 days and nights I was chained to your bed
you thought that was the end of the story
Something inside me called freedom came alive
Livin' in a world without you

You told me, my darling
Without me, you're nothing
You taught me, to look in your eyes
And fed me your sweet lies.

Suddenly someone was there in the window
Looking outside at a sky that had never been blue
Ah ah ah ah, there's a world without you
I see the light, Livin' in a world without you
Ah ah ah ah, there is hope to guide me
I will survive, Livin' in a world without you

It's hard to believe that it came to this
You paralysed my body with a poison kiss
For 40 days and nights I was chained to your bed
you thought that was the end of the story
Something inside me called freedom came alive
Livin' in a world without you

You put me together
Then trashed me for pleasure
You used me again and again
Abused me, confused me

Suddenly naked I run through your garden
Right through the gates of the past and I'm finally free
Ah ah ah ah, there's a world without you
I see the light, Livin' in a world without you
Ah ah ah ah, there is hope to guide me
I will survive, Livin' in a world without you

It's hard to believe that it came to this
You paralysed my body with a poison kiss
For 40 days and nights I was chained to your bed

you thought that was the end of the story
Something inside me called freedom came alive
Livin' in a world without you

It's hard to believe that it came to this
You paralysed my body with a poison kiss
For 40 days and nights I was chained to your bed
you thought that was the end of the story
Something inside me called freedom came alive
Livin' in a world without you

Ah ah ah ah, there's a world without you
I see the light, Livin' in a world without you
Ah ah ah ah, there is hope to guide me
I will survive, Livin' in a world without you
Livin' in a world without you
Livin' in a world without you
Livin' in a world without you
Livin' in a world without you
