I spin around 'n find myself again  
with a thought i'm just a man in the street  
you check it out another look-a-like but he's not me  
I know the places, I know the faces  
'n I know the fact that the action is to go  
I'm satisfied with the tempo of the night  
oh can't you see  
lights are blinking 'n I'm thinking  
that I'm sinking into the groove of the night  
you hang around with me and I'll let you know  
things that we can do a place that we can go

when the world is in her hands  
everything's complete  
when the world is in her hands  
it's everything I need  
she loves you all the same  
thought balck turns to white  
oh yeah she's generating love

you don't have to answer  
I'll find another dancer  
a man in the street  
to get your daily satisfaction  
you got to be greedy  
no time to settle down  
no time to push myself around  
I'm satisfied with the tempo of the night  
oh can't you see  
(let me say)  
once again I've gotta feeling  
that I'm dealing with the groove of the night  
every move she does in generation love  
it's in her veins, it's in her blood  
(she's generating love)
