Heaven sent you, to bring the answer  
Heaven sent you, to cure this cancer  
For a moment I'm beating vultures  
For a moment the world in my hands

Like an angel who came  
Every time when I pray  
Guiding me in my dreams  
Watching me when I sleep  
Like an angel who came  
Every time when I scream

Time after time I lose again  
Night after night I wake up shaking  
'Cause my world is breaking  
Fool enough to fall again  
Night after night I wake up crying  
'Cause I feel like dying

Still disconnected and unprotected  
Still I'm haunted but unwanted  
For a moment unbreakable stars  
For a moment you stayed in my arms

Like an angel who came  
Every time when I pray  
Guiding me in my dreams  
Watching me when I sleep  
Like an angel who came  
Every time when I scream

Time after time I lose again  
Night after night I wake up shaking  
'Cause my world is breaking  
Fool enough to fall again  
Night after night I wake up crying  
'Cause I feel like dying

Time after time I lose again  
Night after night I wake up shaking  
'Cause my world is breaking

Fool enough to fall again  
Night after night I wake up crying  
'Cause I feel like dying

(Time after time I lose again)  
Night after night I wake up shaking  
'Cause my world is breaking  
Fool enough to fall again (Fool enough to fall again)  
Night after night I wake up crying
