lauri:
she was like
april sky
sunrise in her eyes
child of light
shining star
fire in her heart
brightest day
melting soul
breaking through the chill
october & april

anette:
he was like
frozen sky
in october night
darkest cloud
in the storm
raining from his heart
coldest moon
deepest blue
tearing down his breath
october & april

chorus:
like hate & love
worlds apart
this fatal love was like poison right from the start
like light & dark
worlds apart
this fatal love was like poison right from the start

lauri:
we were like
loaded guns
sacrificed our lives

anette:
we were like
love undone
craving to entwine

both:
fatal touch
final thrill
love was bound to kill
october & april

chorus:
like hate & love
worlds apart
this fatal love was like poison right from the start
like light & dark
worlds apart
this fatal love was like poison right from the start

both:
hate & love
worlds apart
this fatal love was like poison right from the start
light & dark
worlds apart
this fatal love was like poison right from the start

october & april
