Talking about life, what it was Â´nÂ´ what itÂ´'s gonna
be.

Get ready for the best time.

HeÂ´'s a friend of mine born in the Â´79

. Â´nÂ´ there will be a day when he hears me when I
say:

hey, you better be thinking about your future.

There will be a day when he hears me when I say:

youÂ´re spoiling your life, you wonÂ´t have another.

You ainÂ´t thinking about your friends, do you hear me
brother?

I have just one thing to say to you:

SHAME! (SHAME!) You canÂ´t fool me,

let me show that the whole thing sucks!

SHAME! (SHAME!) You canÂ´t rule me,

IÂ´m saying no to the drugs!

Living is hard, sure I know,

but yet if you listen to my rule number on,

I bet positive attitude will carry you thru your life.

Think it thru before you take your first high.

One day you are a winner, next day youÂ´re a loser.

DonÂ´t spoil your changes by being user.

I have just another thing to say to you:

You canÂ´t fool me! You canÂ´t fool me!

IÂ´m the king of the new generation?
