Since you've been gone, I've been alone
Feeling untied and free
No more crying on the phone
No more slavery

End of the misery, I'm breaking free

Since you've been gone
Things have come so clear to me
Just wanna shout, 'cause I'm able to breath
Since you've been gone
I've been free

Since we crashed and fell apart
We've been history
Since we trashed this dying love
No more agony

End of the misery, I'm breaking free

Since you've been gone
Things have come so clear to me
Just wanna shout, 'cause I'm able to breath
Since you've been gone
I've been free

(guitar solo)

Since you've been gone
Things have come so clear to me
Just wanna shout, 'cause I'm able to breath

Since you've been gone
Things have come so clear to me
Just wanna shout, 'cause I'm able to breath
Since you've been gone
I've been free

Since you've been gone I've been,
I've been free,
Things have come clear to me,

I am free,

Since you've been gone, I've been alone
