If I could be the king of this planet
I would order some more.
making rules is not the easiest part of it,
that's thing that I know.

Can see th mess,
which has cost so much trouble.
Then I guess that it's
poison which bubbles.
I'll say it loud,
that i'm not proud
about the king of situation.

Asking help from assholes with power
is one way to betray.
See trashes coming double in hour.
Scaring, I would say.

Human race will be judged by the devil,
that's the last thing I want.
To face the destiny 'n' choke in this reef.
Be crushed, you're so weak.

Keep laughing to the end of my world,
I know i'm feeling so small,
don't shame it at all,
with pleasure I tell you my friend.

Keep laughing to the end of my world.
But it's here and it's now.
I'm gonna tell you somehow,
then I won't say even a word.
