oh oh...ohoh....ohoh..ohoh
no sleep,no sleep until im done with finding the answer
won't stop, won't stop before i find a cure for this
cancer
sometimes i feel like going down, and so is connected
somehow i know im haunted to be the wanted

courus
I've been walking
I've been waiting
in the shadows for my time
I've been searching
I've been living
for tomorrow all my life

oh oh...oh oh
in the shadows
oh oh...oh oh
in the shadows

They say that I must learn to kill before i can feel safe
But I, i'd rather kill myself then turn to their slave
Sometimes I feel that i should go and play with the
founder
Somehow I just don't wanna stay and wait for the
wonder
chorus..

lately I've been walking ,walking in cirkles
walking ,waiting fo something,
feel me
touch me
heal me
contact me higher

chorus x2

I've been waiting.....
