Fear of the dark
Tears me apart
Won't leave me alone
And time keeps running out

Just want my life
I'm so sick and tired
I'm singing the blues
As you turn my life around
Come on!

Tell me why do I feel this way?
All my life I've been standing on the borderline
Too many bridges burned
Too many lies I've heard
Had a life,
But I can't go back
I can't do that,
It will never be the same again
And I know
I don't have any time to burn

They follow me home
Disturbing my sleep
But I'll find a place
A place where they cannot find me

Maybe I'm lost
Maybe I'm scared
But too many times
I've closed the doors behind me

Tell me why do I feel this way?
All my life I've been standing on the borderline
Too many bridges burned
Too many lies I've heard
I had a life,
But I can't go back
Can't do that,
It will never be the same again
And I know

I don't have any time to burn

Leave it all behind
Cross the borderline
Face the truth,
don't have any time to...
Have any time to burn
