Here we go again
We ain't gonna bend
To pretend it's a fight against the majority
Lipservice sucks,
Yeah, you know it sucks
Hate inside of me is breaking me, hurting me, killing
me, burning me

We are still living we should party, yeah!
We are still living we should party, yeah!
We are still living we should party, yeah!
Still living!!!

Well well, you can always tell
Well well, you can always tell
Well well, you can always tell

Here we go again
In the world of lie
Try to please everyone by being flexible
This narrow atmosphere is
Restricting words you say
Hate inside of me is breaking me, hurting me, killing
me, burning me

We are still living we should party, yeah!
We are still living we should party, yeah!
We are still living we should party, yeah!
Still living!!!

Well well, you can always tell
Well well, you can always tell
Well well, you can always tell

We are still living we should party, yeah!
We are still living we should party, yeah!
We are still living we should party, yeah!
Still living!!!

Well well, you can always tell
Well well, you can always tell

Well well, you can always tell

It doesn't matter whether you hate or love me
(Well well, you can always tell)

It doesn't matter whether you hate or love me
(Well well, you can always tell)

It doesn't matter whether you hate or love me
(Well well, you can always tell)
