You try and tell me that I'm alone inside this world of  
hatred

But I know each day I fight I grow a little stronger

You think I need you so bad

You think when you're here I'm glad

To hear your bitchin' and your whining about me

And how I'm imperfect

But you're your own biggest fan

You make me sick

Like a cancer burning through my soul

What it's like to be me

What it's like to be me

What it's like to be me

What it's like to be me

What it's like to be me

What it's like to be me

What it's like to be me

No

I have nothing to say

Your thoughts betray you

Clear as the day

I will keep this to myself

Bury it deep inside my mind

I have nothing to say

Your thoughts betray you

Clear as the day

I will keep this to myself

Bury it deep inside my mind

For all the times you f\*\*\*ing put me down

F\*\*\* it man you said you were my friend

I'm glad I found out what you really are

Before you f\*\*\* me up too much

You try and tell me that I'm alone inside this world of  
hatred

But I know each day I fight I grow a little stronger

Decide to make a stand and show you my own views on  
life

But inside I'm just a c\*\*\*, i'll bring you down

You try and tell me that I'm alone inside this world of  
hatred (i try, try)

But I know each day I fight I grow a little stronger (i try,  
try)

Decide to make a stand and show you my own views on  
life (i try, try)

But inside I'm just a c\*\*\*, I'll bring you down (i try, try)

I have nothing to say

Your thoughts betray you

Clear as the day

I will keep this to myself

Bury it deep inside my mind

I have nothing to say

Your thoughts betray you

Clear as the day

I will keep this to myself

Bury it deep inside my mind

You think I need you so bad

You think when you're here I'm glad

To hear your bitchin' and your whining about me

And how I'm imperfect

But you're your own biggest fan

You make me sick

Like a cancer burning through my soul

You think I need you so bad

You think when you're here I'm glad

To hear your bitchin' and your whining about me

And my emotions you'd steal

To change the way that I feel

You f\*\*\*ed me once, you f\*\*\*ed me twice, you f\*\*\*ed  
my life

What it's like to be me

What it's like to be me

What it's like to be me

What it's like to be me

What it's like to be me

What it's like to be me

What it's like to be me

No
