(c) 2003

You're falling to pieces just look at yourself

How could you let yourself go this far?

No one on this earth can claim that they're perfect

Let down the morals of life itself

Memories of past lives are slipping away

Betrayed by liars to cover mistakes

Soldiers of fortune refugees of fate

Nothing is sacred and no one is safe

Memories of past lives are slipping away

Betrayed by liars to cover mistakes

Soldiers of fortune refugees of fate

Nothing is sacred and no one is safe

Find me a buyer

All that I wanna be

Fix me a price

All that I could've been

Tension is building it's too much to take

Nothing is sacred and no one is safe

Find me a buyer

All that I wanna be

Fix me a price

All that I could've been

Tension is building it's too much to take

Nothing is sacred and no one is safe

Find me a buyer

All that I wanna be (ALL THAT I WANNA BE)

Fix me a price

All that I could've been (ALL THAT I COULD'VE BEEN)

Tension is building it's too much to take

Nothing is sacred and no one is safe

Memories of past lives are slipping away

Betrayed by liars to cover mistakes

Soldiers of fortune refugees of fate

Nothing is sacred and no one is safe

Find me a buyer

All that I wanna be

Fix me a price

All that I could've been

Tension is building it's too much to take

Nothing is sacred and no one is safe

Find me a buyer

All that I wanna be (ALL THAT I WANNA BE)

Fix me a price

All that I could've been (ALL THAT I COULD'VE BEEN)

Tension is building it's too much to take

Nothing is sacred and no one is safe

Coward (all that I wanna be)

Coward (all that I wanna be)

Coward (all that I wanna be)

Coward (all that I wanna be)

Coward (all that I wanna be)

Coward (all that I wanna be)

Coward (all that I wanna be)

Coward ALL THAT I WANNA BE
