Read all the lies they say

Silence all the skeptics

All the feelings of humanity

Not for something they could ask for

Not for something they could see

Listen in to their excuse

Passing notions of freedom

To rid the people of prosperity

Not for something they could ask for

Not for something they could see

Test the patience of the people

Test the patience of me

Test the patience of me

Test the patience of the people

Test the patience of me

Test the patience of the people

Test the patience of me

Test the patience of the people

Test the patience of me

Test the patience of the people

Test the patience of me

Look deep inside you f\*\*\*ing liar why are you pushing  
me?

Ideals are wavered in favour of gain

There is no hope for us

RISE!

RISE!

RISE!

RISE!

Get back on your feet again

Suffer the consequence

Nothing is perfect

Nothing is real

Nothing is left

And trust is just a word

Trust is just a word

Trust is just.....
