Only one way, I am the key
Life and love are only given through me
I care about your heart and what you've been through
I'm waiting here patiently for you

Let not your heart be troubled, you're never left all
alone, yeah
Cast all your cares upon me, when you are weak I'll be
strong

I'll wipe away your tears, calm your fears
I'll give freely, just ask of me
I'll take away your pain, remove all shame
My love's for sure cry no more, cry no more

So you say, say you don't believe someone could love
you unconditionally
You say you've been hurt before, you don't wanna be
hurt no more
If you only you could see, you can rely on me

Those tears you cry, I cried a thousand times, I know
just how you feel
But joy comes once you realize the love I have is real

I'll wipe away your tears, calm your fears
I'll give freely, just ask of me
I'll take away your pain, remove all shame
My love's for sure cry no more

Let not your heart be troubled, you're never left all
alone
Cast all your cares upon me when you are weak, I'll be
strong

I'll wipe away your tears, calm your fears
I'll give freely, just ask of me
I'll take away your pain, remove all shame
My love's for sure cry no more, cry no more
