Away, away, away
Away, away, away

Sitting here thinking how good You've been
You blessed me all of my days, yes You did
Yet I realize I haven't been, ooh, everything You want
me to be, yeah
But if You take me, I'm more than willing to go, I wanna
fly away with You

I wanna fly away with You, I wanna soar like eagles do
I lay aside every weight as I look to the sky

I wanna fly away with You
Yeah, yeah, yeah, yeah, yeah (yeah, yeah, yeah, yeah,
yeah)

I can wait to see where You gonna lead mne oh what
joy will I find
You've treasured me I love you eternally and peac to
ease my mine
So if You call me, I'll answer You with all of my heart, I
wanna fly away with You

I wanna fly away with You,
I wanna soar like eagles do
I lay aside every weight (lay aside every weight) as I
look to the sky

I wanna fly away with You

So when You call me, I'll answer You with all of my
heart,
I wanna fly away with You,
I wanna soar like eagles do
I lay aside every weight as I look to the sky

I wanna fly away with You
Away, away, away
Away, away, away
I wanna fly away with You
