Verse 1

(Girl #1)I'll never pray again.

(Girl #2)Girl what you saying, You are the righteous,  
and your not forsaken.

(Girl#1)If I'm the righteous, why am I going through,  
See you don't understand until you walk in my shoes.

(Girl #2) Have you forgotten, if there's a mountain, a  
little faith can go a long way.

(Girl #1)I hear you talking

(Girl #2)Well listen up again, cuz your not getting it,  
you need to remember (yeah)

(chorus)

God is your source and don't look to another,  
Cuz he'll supply your needs according to his riches and  
glory

(you gotta kno)

(repeat)

(Girl #1)Somebody told me, goodness and mercy,  
suppose to follow me or is that a story.

(Girl#2) The word of God is true, you want the break  
through, speak it and believe it, it will never fail you

(Girl#1) I never had someone to break it down for me,  
so now I'm getting some understanding.

(Girl#2) Dividing up the truth, is what we did for you, so  
if you didn't know, now you know.

CHORUS

Bridge

Storm clouds may come your way. (In my life there's  
been a lot of rain)

Be still helps on the way(good things come to those  
who wait)

Stand firm don't loose your faith ( I ain't going no  
where)

Just pray (i'm praying)

Just pray (i'm praying)

CHORUS

Jehovah Jirah, He's my provider,

But you gotta know from where your blessing flow  
He never changing, and rearranging.

My life, your life, just try him

(repeat)

If you think about quitting every now and again, let me

show you how to make it from start to end.  
You gotta pray now, hey now, do you feel me, players,  
shortys, are you wit it.  
(repeat)
