[Verse 1]

Will I ever find the words to thank you
For all you've done for me
On the cross you paid my penalties
From the grave you rised to set me free
And when I didn't choose to love you (you)
You than made the choice to love me
I present in my body as a living sacarifice
Holy and acceptable to you

[Chorus]

I am yours you are mines
And forever you will live inside of me
Forever yours
I will praise you endlessly
I'm in you your in me
Inseparatable for all eternity
I know that you will always be
The greatest part of me

You will always be the greatest part of me

[Verse 2]

I can never turn from you
If I did where would I have gone
Only you can give me peace of mind
You're the greater light that fills my soul
I canspend more than a lifetime
Counting the ways you love me
I present in my body as a living sacarifice
Holy and acceptable to you
You

I am yours

[Chorus]

You are mines (you are mine)
And forever you will live inside of me (Oh yeah)
I will praise you endlessly
Lord I'm in you
You're in me (You're in me)
Inseparable...(inseparable)

...for all eternity
I know that you will always be
The greatest part of me

Ohhhhhhh you will always be
I know I know you will always be

A part of me
The greatest part of me

Nothing will ever come between us
No, no , no

Dah dah dah dah dah dum dum
Dah dum dah dah dum dum
