na)

I can remember on that day

When my life almost slipped away

Though I knew I wasn't sober you decided it's not over

'Cause You knew my life was more than I could see (ooh)

I look back upon it all (ooh)

You've been merciful to me

I look back upon it all (upon it all)

'Cause You've been merciful to me

It was so hard to understand

Nothing was going like I planned

I should have laid it all upon You but I took my pain out

on You

But You looked beyond what was to what could be

I look back upon it all

(You've been) You've been merciful to me (yea)

## (Bridge)

And while I was giving up on me Your patience was shaping my life story You worked a miracle I know I don't deserve (Na na na na na na na na na ooh)

Not a moment should pass before I say

You never took Your love away (ooh)

(?)

(I will always) remember

That the grace You gave me changed my destiny

I look back upon it all

You've been merciful to me

(I look back upon it all) I look back upon it all

You've been merciful to me

I look back upon it all

You've been merciful to me
