Will I ever find the words to thank You  
For all You done for me?  
On the cross You paid my penalty  
From the grave You rose to set me free

And when I didn't choose to love You, You  
(You made the choice to love me)  
I present my body as living sacrifice  
Holy and acceptable to You

I am Yours, You are mine  
And forever You will live inside of me forever, Lord  
I will praise You endlessly

I'm in You, You're in me  
Inseperatable for all eternity  
I know that You will always be the greatest part of me  
(You will always be the greatest part of me)

I could never turn from You  
If I did where would I go  
Only You can give me peace of mind

You're the Bread of life that fills my soul  
And I can spend more than a lifetime  
(Counting the ways You love me)  
I'm living expression, waiting with great expectation  
I'm longing for the day You come back for me

I am Yours, You are mine  
And forever You will live inside of me forever, Lord  
I will praise You endlessly

I'm in You, You're in me  
Inseperatable for all eternity  
I know that You will always be the greatest part of me  
(You will always be the greatest part of me)

I present my body as a living sacrifice  
Holy and acceptable to You

I am Yours, You are mine

And forever You will live inside of me forever, Lord  
I will praise You endlessly

I'm in You, You're in me  
Inseperatable for all eternity  
I know that You will always be the greatest part of me  
(You will always be the greatest part of me)
