Are you so special?
Are you so fine?
Are you good looking?
You're so divine

And it seems like a breath of a moment
And it seems like a wisp of a tow
And I'm only this breath of your moment
And I'm only this wisp of your tow

We'd do much better
Without my mind
Does so much wandering
Kills so much time

And it seems like a breath of a moment
And it seems like a wisp of a tow
And I'm only this breath of your moment
And I'm only this wisp of your tow

It's all I get when I'm in your gaze
Brief sunshines in my cloudy days
Like the rain, I love the snow
It's just the pain of those cloudy days

Are you so special?
Are you so fine?
You're so good looking
You're so sublime

And it seems like a breath of a moment
And it seems like a wisp of a tow
And I'm only this breath of your moment
And I'm only this wisp of your tow

It's all I get when I'm in your gaze
Brief sunshines in my cloudy days
Like the rain, I love the snow
It's just the pain of those cloudy days

Cloud, cloud, cloud
