So mixed up  
With this masquerade  
With this mask and wig  
With this love parade

The ides of March  
The wind of May  
Away

Knife to heart  
Blade to mind  
Starch to soul  
Oh, Valentine

Amore wind  
Amore rain  
A Hurricane

The ides of March  
The wind of May  
Away

So mixed up  
With this masquerade  
With this mask and wig  
With this love parade

Amore wind  
Amore rain  
A Hurricane

The ides of March  
The wind of May  
Away
