She walks through my mind  
She strolls through my moods  
And we're wasting time in the coming, going  
Losing time in the coming, going

I will hold, hold your hand  
In the air, in the air  
A tune drifts through my mind  
A tune that isn't my kind

I hear a voice and it's speaking to me  
I hear a voice and it's speaking to me  
Oh, I have sung one too many songs  
For a crowd

Oh I, I have sung one too many songs  
For a crowd that didn't want to hear
