Hey, I'm calling
Hey, I'm out here
You're so wrapped up
You can't tear your eyes away

Hey, I'm slipping
Hey, I'm falling
Just a matter of time 'til I fade away

Such a beast of a day below
So pretty and stale
Such a radical view you're searching for

Hey, I'm watching
Hey, I'm listening
If you speak up you might blow my heart away

Hey, I'm drifting
Hey, I'm drowning
Just a matter of time 'til I drop away

So collected and cool in your cocoon
So pretty and high
Don't flatter yourself
You're not the first

Don't flatter yourself
You're not the first
Don't flatter yourself
You're not the first

Hey, I'm calling
Hey, I'm out here
Just a matter of time 'til I drop away

So collected and cool in your cocoon
So pretty and high
Don't flatter yourself
You're just a pawn

You're just a pawn

Just a pawn
Just a pawn
Just a pawn
